

Luxurious *Living* in Elegant Surroundings

JAY TIME INDUSTRIES
Exclusive Furniture Fittings

Company Profile

Jay Time Industries, established in year 1995, is a brand in itself. House of large range of hardware fittings products, it is considered as one-stop solution for all types of hardware fittings requirements.

Since start, our focus has been on quality and durability. With array of well-established brands in different product categories, we strive to satisfy our customers up to the mark.

We understand the current market dynamics very well. Demand for new designs is perpetual process and for that we have our team of people continuously working towards developing new products. We put our developments to very strict quality tests before bringing them to market.

We firmly believe that customer feedback & implementation of their valuable suggestions is the key to any successful firm and which is why we constantly ask our customers for the feedback so that we can accommodate these precious changes.

As an unending pursuit towards our customers' total satisfaction, we hereby present some pearls for you to explore yourself.....
